

## June 15th Random Bands

As the name implies, "Random Bands" is made up of random musicians. We don't accept pre-formed bands; groups are formed solely on balance and mix of experience. We don't stack all experienced players in one band - everyone gets a fair go. Mentors are appointed to each band but the bands organise themselves and their rehearsal spaces. Approximately 4 ½ weeks of rehearsal is allowed before a celebratory GIG at THE GOV FRONT BAR on **Saturday June 15<sup>th</sup> 2019 combined with SA Live Music Club bands for a full day of music**. The Gov gig is of Open Mic nature where all backline gear is provided. We are available to assist your band successfully being organised for the gig and where possible getting fill-in musos as the unavoidable sometimes happens.

Registrations close **Thursday the 9<sup>th</sup> of May** for our intended band meeting **Monday 13<sup>th</sup> of May at the Gov, exact time & date TBA**. Bands will be introduced to each other at this informal meeting where they will share contact details and meet the mentors who will guide them through the experience.

Each band will showcase approximately 30 mins of material to the energetic crowd that frequents Random Bands and S.A. Live Music Club events.

Registrations are open now via <https://salivemusic.club/random-bands-payment/>. A small booking fee is applicable to assist the club with promotion and logistics of the event.

**SA Live Music Club members \$13.00; Past (Non Financial) Members \$17.00; Guests \$22.00.**

Please note: guests must have attended a previous Random Jam to be eligible for Random Band Registration. Last chance to book in for a Random Jam is Sunday 28 April – see the link on the Random Bands registration page if you need/want to qualify.
