April 4th 2020 Random Bands

As the name implies, "Random Bands" is made up of random musicians. We don't accept preformed bands; groups are formed solely on balance and mix of experience. We don't stack all experienced players in one band - everyone gets a fair go. Mentors are appointed to each band but the bands organise themselves and their rehearsal spaces. Approximately 4 ½ weeks of rehearsal is allowed before a celebratory GIG at THE GOV FRONT BAR on Saturday April 4th2020 combined with SA Live Music Club bands for a full day of music. The Gov gig is of Open Mic nature where all backline gear is provided. We are available to assist your band successfully being organised for the gig and where possible getting fill-in musos as the unavoidable sometimes happens.

Registrations close Thursday the 27th of February for our intended band meeting Monday 2nd of March at the Gov, exact time & date TBC.

Bands will be introduced to each other at this informal meeting where they will share contact details and meet the mentors who will guide them through the experience.

Each band will showcase approximately 30 mins of material to the energetic crowd that regularly supports Random Bands and S.A. Live Music Club events.

Registrations will open soon <https://salivemusic.club/random-bands-payment/> . A small booking fee is applicable to assist the club with promotion and logistics of the event

SA Live Music Club members \$ 18.00, Past (Non-Financial) Members \$ 22.00 And Guests \$ 27.00

Please note guests must have attended a Random Jam prior to become eligible for Random Bands Registration.
